**For Reference**

**Not to be taken**

**from this library**

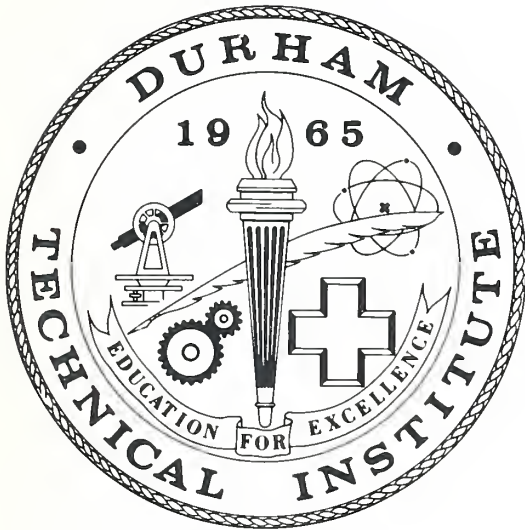

A teacher, friend, and advisor—this phrase best describes a man who has been at Durham Technical Institute for three years. In this time he has greatly aided the growth and development of the school. He is interested in each student as an individual and is always willing to help them in any way he can.

To show our appreciation we, the Annual Staff, dedicate the 1967-68 Widget to Mr. Gene Goss.

# CANDID

"Feel Free" in Hanes.

Of course, its just sugar.

Ha, Ha! Six more drafted.

I can see for miles and miles.

eeni - meeni - minie - moe ...

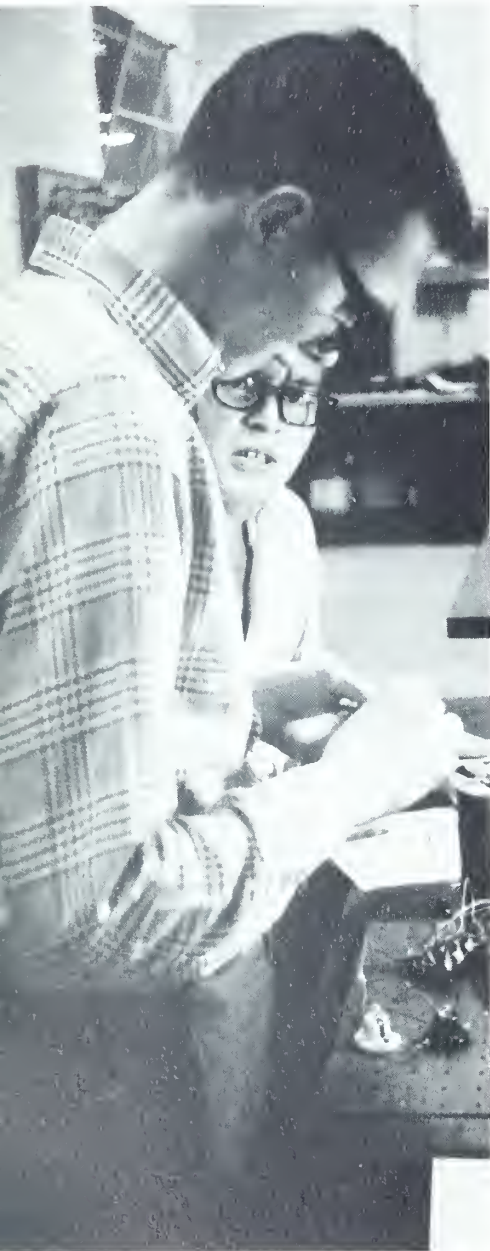

I come to you with a heavy heart.

She's O.K. for you, but I'm married.

I don't know what it is, but it fell out of my nose.

Mary, you're off key.

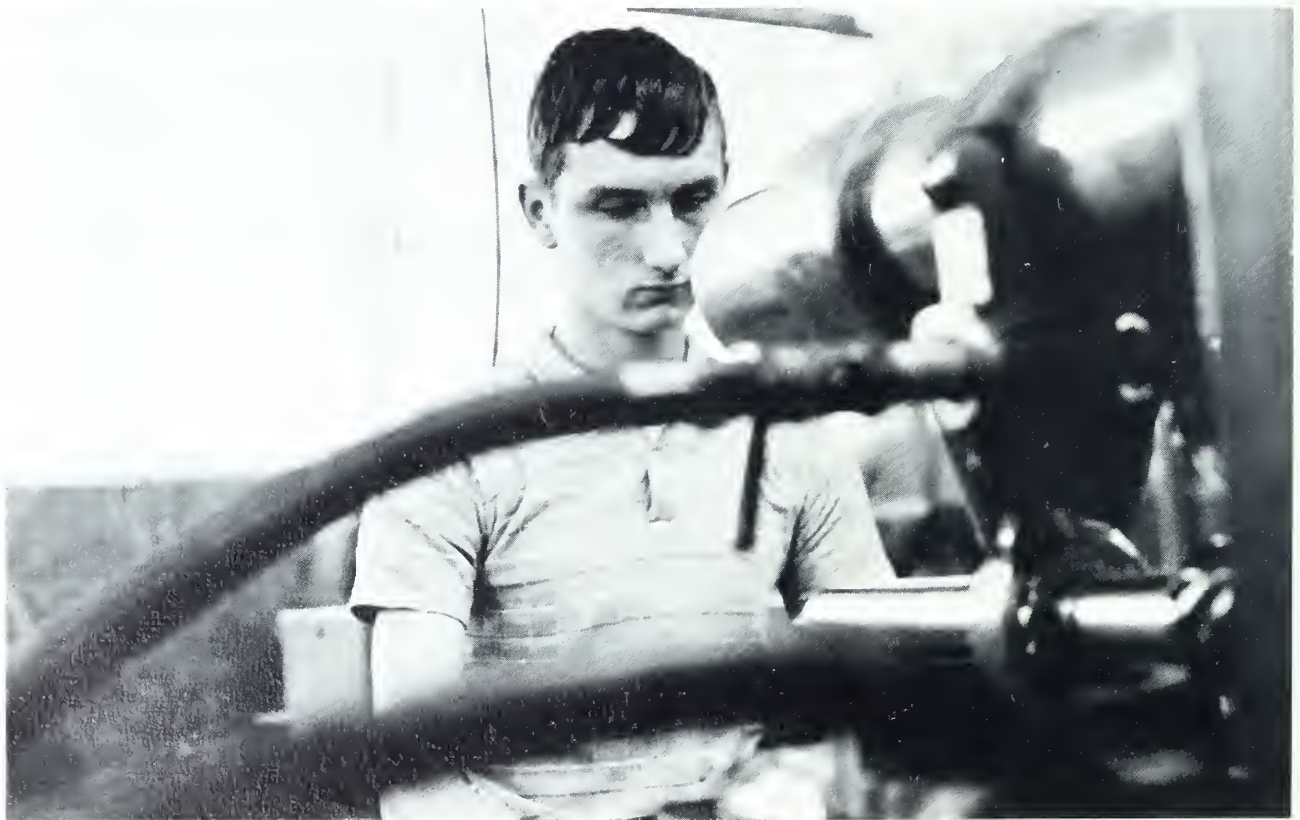

Does anybody have a cure for the blahs?

What do you mean, no donuts?!

What's that? A drop card?

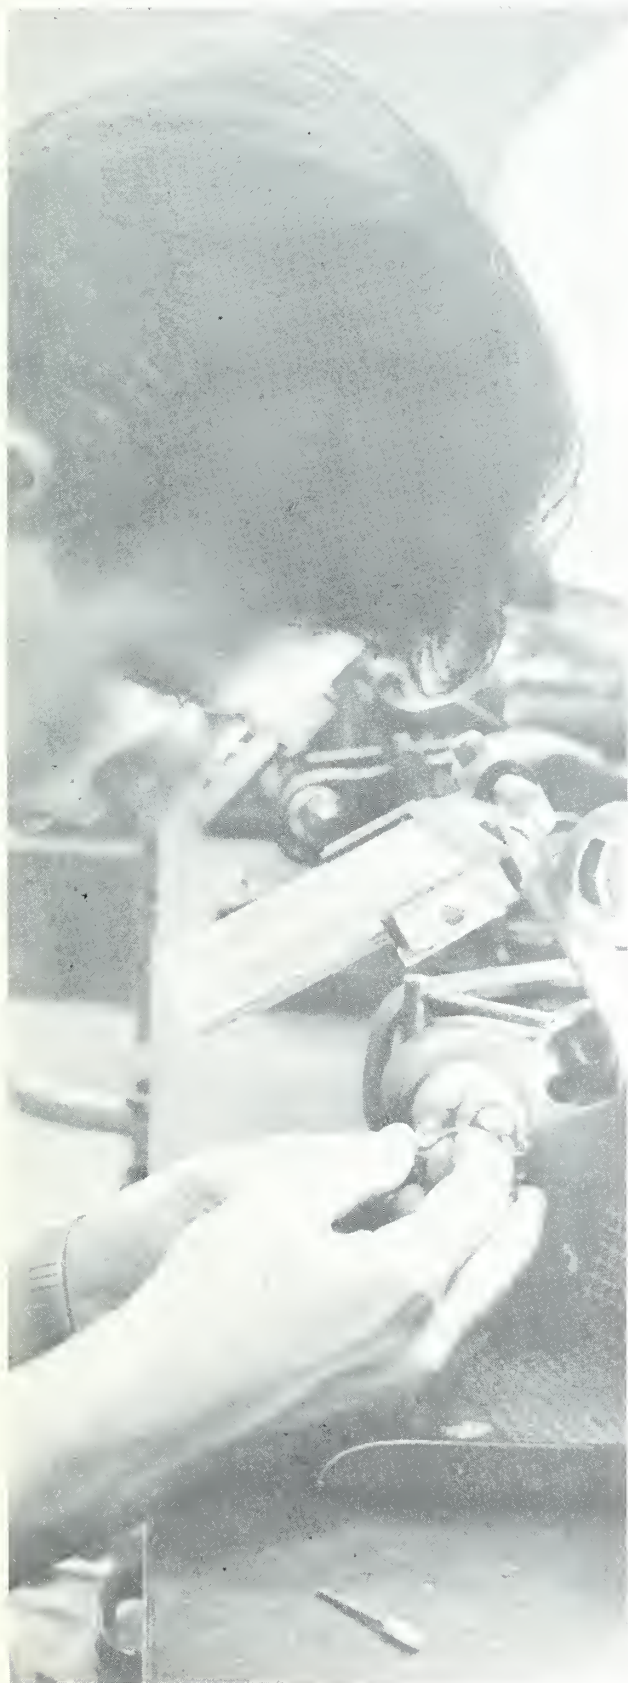

Take Sominex and sleep.

The revenuers will never catch me here.

Jewelry is a past time.

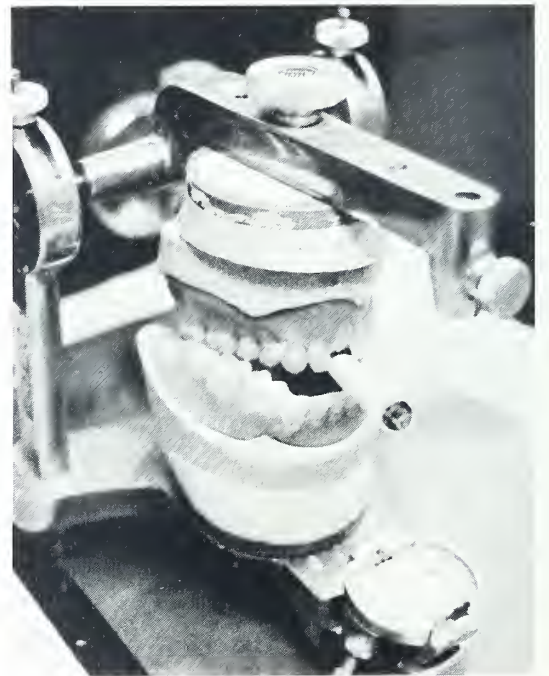

Commanding Officer—D. T. I.

Automation

"I smoke slow"

Can you get me a nickel bag?

Boy, I've heard of blind dates; but this is ridiculous.

Will you stay if I use Ban?

We're economizing, so they took my chair.

Sold to the man in the white shirt.

*PRP—an exciting  
new technique  
for precision rest  
partials in Ticonium*

PRP is the accurate way to produce a precision partial prosthesis. It combines fine-grained Ticonium Premium #100 with the crown and bridge alloy, Ticon. This precise attachment is produced by casting the partial directly into the Ticon female attachment.

For complete details of the exciting new PRP technique, write for additional information. We have the training, materials and equipment to process any case.
